FACILITY NAME

Cecilville Solid Waste Disposal Site

OPERATOR

Siskiyou County Public Works Department

FACILITY LOCATION

Section 20, T. 38 N., R. 11 W., M.D.M., in Siskiyou County

FINDINGS

1. This facility is an existing 2 acre landfill; site life is expected to be 6.8 years. The trench method of operation is utilized. The facility is located in Sec. 20, T. 38 N., R. 11 W., M.D.M. in Siskiyou County. The disposal site receives less than 1 ton per day. The site is open continuously. No salvage operations are conducted. Types of wastes received at the site include:

- a. Residential and Commercial
- b. Tires
- c. Construction and Demolition

2. Design and operation of this facility are as specified by the Report of Disposal Site Information dated May 1978, which is hereby made a part of this finding.

3. Land within 1,000 feet of the site has no zoning.

4. This facility's design and operation are currently in substantial compliance with State Minimum Standards as determined by physical inspection made on November 3, 1977, by Jim Buntin (State Solid Waste Management Board), Gene Reid, (Siskiyou County Health Department), and Jim Parham (Siskiyou County Department of Public Works). The Siskiyou County Solid Waste Management Plan states that this site would be closed in 1977. Due to economic considerations, this site has not been closed and is being operated in substantial compliance with State Minimum Standards.

5. The following documents condition the operation of this facility:

- a. Special Land Use Permit issued by the Department of Agriculture, United States Forest Service.

This permit is granted solely to the operator named above, and is not transferable. Upon a change of operator, this permit is subject to revocation. Upon a significant change in design or operation from that described in this permit or in attachments thereto for the existing design and operation of a facility operating immediately prior to August 15, 1977, or from the approved intended design and operation of a facility which was not operating prior to August 15, 1977, or which herein is granted a permit modification, this permit is subject to revocation, suspension, modification or other appropriate action.

This permit does not authorize the operation of any facility contrary to the State Minimum Standards for Solid Waste Handling and Disposal. This permit cannot be considered as permission to violate existing laws, ordinances, regulations, or statutes of other government agencies.

CONDITIONS:

Requirements:

1. This facility must comply with the State Minimum Standards for Solid Waste Handling and Disposal.
2. This facility must comply with all federal, state, and local requirements and enactments.
3. Additional information concerning the design and operation of this facility must be furnished upon request of the enforcement agency.

Prohibitions:

The following actions are prohibited at the facility:

- a. Disposal of live or dead animals or parts thereof
- b. Disposal of septic tank pumpings or sewage sludge
- c. Disposal of hazardous wastes
- d. Disposal of any burning material
- e. Scavenging
- f. Salvaging unless approved by the County
- g. Shooting of any firearm

Specifications:

No significant change in design or operation from that described in Items No. 1 and 2 of the Findings Section is allowed, except for those changes which are required under the "CONDITIONS: portion of this permit.

Provisions:

1. The following provisions must be met:
 - a. None required
2. This permit is subject to review by the enforcement agency, and may be suspended, revoked, or modified at any time for sufficient cause.

Self-Monitoring Program:

1. Due to the small volume at this site, no monitoring is being done, or considered necessary.
